# **Visitors Policy 2019-2020**

### **Policy Statement**

Forton Primary School welcomes parents and other people to visit the School and recognises the important contribution and potential benefits which can result from increased interaction with the public.

However at the same time Forton has a legitimate interest in Safeguarding and protecting the safety and welfare of students and staff members, avoiding disruption to the educational process, and protecting Forton's facilities and equipment from misuse and vandalism.

A balance must therefore be achieved between the potential benefits and risks associated with the presence of visitors to Forton. It is the intention of Forton that every visitor is treated with courtesy and respect and made to feel welcome whilst on the premises. The control of visitors is a fundamental part of Forton's safeguarding of pupils, staff and property. Achieving the right balance will lead to increased external visitor involvement, and a better understanding of how the school operates and the challenges facing Forton, and an increased sense of collaboration and cooperation between the community and the school.

Forton maintains the right to place limitations on visitors to avoid disruption to school operations and to prevent visitors from receiving a distorted view of those operations, however any limitations will not be unreasonably applied. The Headteacher has the authority to determine which visits are to be permitted as well as the discretion to set any appropriate conditions on the nature and extent of such visits. In excising her discretion, the Headteacher considers the purpose of the visit, the impact of the visitor's presence and the relationship of any visitor to the pupils.

Forton's staff will ensure that parents and other visitors are courteously received and that sincere efforts are made to provide them with any such information as may be necessary to ensure and enhance a cooperative relationship between home, school or the wider community.

(See separate Forton's Policies: General Health & Safety Policy, Safeguarding Policy, Security
