These values help us create a happy and respectful school where everyone feels valued.

Our School Rules

We have Five simple rules:

Do your best

These rules are important and help us all get along and learn well.

Playtime and Lunchtime

Our playgrounds are for fun and learning. If you have any problems, our staff are there to help quickly.

We love to celebrate good behaviour!

We love celebrating children who make super choices, are kind, helpful and always try their best.

These children earn a place on our Shine Board!
