Behaviour Award

Recently, our Behaviour Ambassadors had the honour of representing our school at Lancashire County Hall, where they proudly collected our Gold Behaviour Quality Mark award. This achievement is a reflection of the hard work, kindness, and positive attitudes shown by our pupils and staff every day. The Gold award recognises schools where excellent behaviour, respect, inclusion and high expectations are embedded throughout school life. We are incredibly proud of this accomplishment, which celebrates the commitment of our children, staff, governors, and families to creating a safe, supportive, and positive learning environment. Achieving this award is a testament to the values we uphold every day.

Water Bottles

We encourage the children to drink **water** throughout the school day **not juice**. Please ensure bottles are named.
