This is Forton School's bid:-

'Putting our community on the same page'...

is a project to bring our village and school community together through the school library.

We have books, lots of beautiful books that deserve to be read by the Forton Community.

The newly created library space will be a meeting place for young families to connect & for young children to increase their vocabulary through exposure to quality literature.

The library would also be a space where adults can meet and share/borrow books, strengthening their friendships. Having a safe, warm place to visit on a regular basis would provide parents and carers within the community with the opportunity to share top tips and experiences with each other, to know that they are not alone and to support each other. This meeting space and the opportunity to borrow books will provide opportunities for early social interaction for children who are not yet at school, allowing them exposure to other children and to the joys that books hold, having a positive impact helping them become school ready.

Voting slips will be available in The Post Office on Hollins Lane from Tuesday 2nd February –Monday 13th February.

The Post Office is open Monday – Friday 9am -12pm.9am – 11am

Please encourage your friends, family and neighbours to vote for us!

And finally...

What did the man say when a book fell on his head? I only have my-shelf to blame!
