Where all our Pupils SHINE

Newsletter – Week 17 Friday 17<sup>th</sup> January 2025

Our Scuba Explorer classes a great way for young students between the age of 8-15 years old to discover and advance in scuba diving, whether it be for a holiday, hobby or just a way to socialise, the skills they will learn will benefit all. We have something for everyone and can fully adapt to different abilities and learning needs.

Classes are 45 minutes each and run once a week on either a Thursday evening or Saturday morning and are held at 315 Health Club Lancaster.

Classes equate to only £12 per session and can be paid either on a rolling monthly direct debit of £48.00 or as a 12 week block for £144.00. Both options include full equipment hire and training by professionals. The 12 week blocks can be renewed as many times as you like and we always recommend our students continue with their training to enhance their skills and confidence further.

Please note scuba diving is subject to a medical form which will need to be filled in prior to being allowed in the water.

**To book please contact 315 Health Club on:  
Phone: 015242 37315**
