

Our Intent is: To support our children's knowledge and understanding of the process of change by stimulating enquiry into the question, "How our lives have been shaped by past events?" and their place within time.

Forton Primary School

History

<p align="center">Nicky Nook Class Spring 1 Year B</p>	<p>N.C. LINKS: Pupils should be taught about: events beyond living memory that are significant nationally or globally.</p>			
<p>Etymology – aeroplane – from French aero air' and greek planos 'wandering'.</p>	<p align="center">Vocabulary:</p>			
<p align="center"> Cars, Trains, Ships and Planes By Dorling Kingsley</p>	<p>Compare Transport Bikes Cars Change The Wright brothers Aviation</p>	<p>Century, Before I was born, past, similar, different, era, timeline chronology</p>	<p>Old, new, invention important figures, Britain important figures earlier, later facts events</p>	<p>Artefact, explain, who? Why? What? When? Where? Source, events, newspapers, evidence,</p>
<p>Key Concept: TRANSPORT <u>The First Aeroplane Flight</u></p> <p>Key Question: How has transport developed over time?</p>				
<p>Unit Overview: Make comparisons and identify transport then and now (1800s to now – focus on bikes and cars)</p>				

Our Intent is: To support our children’s knowledge and understanding of the process of change by stimulating enquiry into the question, “How our lives have been shaped by past events?” and their place within time.

<p>Sequence the changes in transport over the years</p> <p>Explain when the first airplane flight took place</p> <p>Explain the significance of the changes the Wright brothers made to the aviation world</p>			<p>Similarity and difference</p>	<p>historians, experts</p>
<p>Chronological context:</p> <p>First car - 1886</p> <p>First Aeroplane flight - 1903</p>				
<p>New Knowledge Progression:</p> <p>Make comparisons and identify transport then and now (1800s to now – focus on bikes and cars).</p> <p>Sequence the changes in transport over the years.</p> <p>Explain when the first airplane flight took place.</p> <p>Explain the significance of the changes the Wright brothers made to the aviation world .</p>	<p>Building on Prior learning from EYFS: Key Learning linked to Historical Development</p> <p>Communication – talk about key events in own lives, about family, friends, other people including significant people.</p> <p>Observe – show an interest insignificant events and experiences in the lives of others, including friends and family members.</p> <p>Describe – features of objects, people, places at different times, make comparisons</p>	<p>Building on Prior learning when B follow A:</p> <p>Learn about significant historical events in their own locality, Understand the purpose of canals in the past.</p> <p>Understand what canals are used for today.</p> <ul style="list-style-type: none"> • Understand why canals are an important part of local history. 		

Our Intent is: To support our children's knowledge and understanding of the process of change by stimulating enquiry into the question, "How our lives have been shaped by past events?" and their place within time.

Research – find out about people, places, events, objects, ask questions, use different sources to find answers.
Chronology – order simple experiences in relation to themselves and others, including stories, events, experiences.
Vocabulary – language of time when talking about past/present events in their own lives.

Key Skills (Disciplinary)

- **Chronology**
- Order and sequence events and objects.
- Recognise that their own lives are similar and / or different from the lives of people in the past.
- Use common words and phrases concerned with the passing of time.
- Recognise the distinction between past and present.
- Order and sequence some familiar events and objects.
- Identify some similarities and differences between ways of life at different times.

- **Interpretation, Enquiry and Using Sources**
- Describe some changes within their living memory (including aspects of national life where appropriate).
- Ask and answer simple questions about the past through observing and handling a range of sources.
- Consider why things may change over time.
- Recognise some basic reasons why people in the past acted as they did.
- Make simple observations about different people, events, beliefs and communities.
- Use sources to answer simple questions about the past.
- Identify some of the basic ways in which the past can be represented.

Our Intent is: To support our children's knowledge and understanding of the process of change by stimulating enquiry into the question, "How our lives have been shaped by past events?" and their place within time.

- **Communication**
- Talk about what / who was significant in simple historical accounts.
- Demonstrate simple historical concepts and events through role-play, drawing and writing.
- Use a variety of simple historical terms and concepts.
- Describe special or significant events.
- Retell simple stories or events from the past.
- Use simple historical terms.
-

Sequence of Lessons:

1. **LO: To make comparisons between transport now and then.**
2. **LO: To sequence changes in transport over time.**
3. **LO: To learn about the first aeroplane flight.**
4. **LO: To research the Wright Brothers.**
5. **LO: To understand the changes the Wright Brothers made to the aviation world.**

Enhancements:

Leyland Transport Museum

End of Unit Outcome:

Fact file about the Wright Brothers

Oral Assessment:

How has transport developed over time?

What are the differences between transport now and then?

What changes took place in transport over time?

What do you know about the first aeroplane flight?

What changes did the Wright Brothers made to the aviation world?
