

The More You Read Challenge...

At Forton Primary School we **LOVE** books.

We **LOVE** all sorts of books.

We **LOVE** books about facts, mysteries, biographies, animals, families, scary stories, fantasy tales, funny tales and classic ones too.

The children in Pendle Class are challenged to read at least one book from each genre.

The children read the book at school and home and then upon finishing reading, they discuss it with an adult in school before they choose another one.

We love hearing this 'book talk' going on around school but more importantly, between children as they discuss their book and make recommendation, it is great!
